Woman's Club Notes

Members of Torrance Woman's Club enjoyed their regular luncheon meeting at the clubhouse last Wednesday afternoon with Mrs. Caroline Collins, president, presiding. Mrs. Bessie Ochs, president of the Calif.-Asia Importing Company, was the luncheon speaker. Her talk on "Foreign Trade" was thoroughly instructive and timely. Mrs. Oscar S. Edrum of Los Angeles, district chairman of history and landmarks, gave an outline of California history beginning with the discovery of California by Cabrillo and coming down through the Spanish period until the present day. Miss Emma Erickson, a young school girl of Lomita, accompanied by Mrs. Alec McPhail, also of Lomita, charmed the club with a group of cello numbers.

Mrs. Guy Mowry, delegate to the district convention at San Luis Obispo, gave a very interesting report on the sessions of the convention.

Mrs. LeGrand Birkdull gave a very earnest plea for the little red poppy made by the disabled veterans and which will be sold on Poppy Day, May 27 and May 28. She explained that the poppies to be sold by the Legion Auxiliary were the paper ones while those sold by the Veterans of Foreign Wars were of silk.

The result of the election which was held the same day was, Mrs. W. J. Neelands, president; Mrs. Al Price, third vice president; Mrs. George B. Worcester, recording secretary; Mrs. A. W. Meiner and Mrs. Charles Schultz, directors; Mrs. J. S. Lancaster was elected first vice president but declined the office.

Ball Game at the Pueblo Next Sunday

Next Sunday, May 15, the Torrance Bears will meet the well known Canoga Park baseball team in a game to be played on the local diamond at the Pueblo. The game starts at 2:30 and a good fast session is promised. The Bears have a smart ball team, and have been very successful in the season just past when they cleaned up practically all opponents. All baseball fans are invited to attend these games and are promised plenty of exciting sport.

Diets have become such important things in daily life that the National Inventors' Congress, meeting in San Francisco, decided to have a go at the problem. The result was this contrivance, guaranteed to lop off unwanted pounds. And here also are Jean Kelly, left, and Billy Dunlop teaching portly Chef John Uglione how to operate the new reducing machine.

Mrs. C. A. Dailey, Mrs. John L. Sullivan and Mrs. Price attended a bridge party at Huntington Beach, Wednesday afternoon.

Only Pilot Harry Huking of United Airlines was injured when this giant tri-motored airship was forced down in the Yuba river near Soda Springs, Calif., by a blinding snowstorm. Eight passengers, the co-pilot and stewards were able to wade ashore while Huking received only a slight cut. They praised his cool-headed maneuvering of the big ship.
